

## R & O Hydraulic Oil

**Starfire R & O Oil** is a high quality hydraulic oil developed as a general purpose rust, corrosion, and oxidation inhibited oil. Starfire R&O Oils can be used for any application not requiring antiwear or extreme pressure protection. This oil is formulated with premium quality; refined mid-range viscosity index base stocks and select additives to provide wear protection, water separation, and anti-foam properties.

### APPLICATIONS

Suitable for use where service requirements are normal to moderate and long-term heavy-duty protection is not critical.

Starfire® R&O Oil		
Typical Physical Properties		
Viscosity Index	44	97
Viscosity cSt @ 40°C	32.0	95.0
Viscosity cSt @ 100°C	4.85	10.8
Gravity, API	24.0	30.7
Color, ASTM	<3.5	<3.5

*Minor variations in typical physical properties may occur from normal manufacturing processes*
