

SuperTack Bar and Chain (Winter and Summer)

Description:

Starfire SuperTack Bar and Chain Oil is a lubricant designed to prevent rusting and reduce wear and link breakage thus extending bar and chain life. Oil requirement is low due to resistance to dropping and throw-off due to tackifier added to the oil.

Typical Applications:

Starfire Bar and Chain Oil is a lubricant designed especially for lubrication of bar and chains in a variety of applications.

Typical Physical Properties Winter Grade:
