

MariStar Cylinder Oil SAE 40

STARFIRE MariStar Cylinder Oil SAE 40 (60 TBN) is a high quality diesel engine oil specially formulated for use in all 2 stroke low speed diesel engines. STARFIRE MariStar Cylinder Oil SAE 40 is suitable for use by all manufacturers of low speed crosshead diesel engines.

Features

- 60 TBN
- Formulated for Maximum Deposit Control
- Acid Neutralizing features which help extend the life of components
- Provides excellent boundary lubrication properties resulting in low wear in pistons and cylinders

Typical Properties

SAE Viscosity Grade	40
Viscosity, cSt @ 40°C	150.5
Viscosity, cSt @ 100°C	15.1
Viscosity Index	> 95
Specific Gravity	.93
Density (lbs/gal)	7.72
Flash Point, °F	410
Pour Point, °C	-6
TBN, D 2896	60
