

MariStar Multifunctional Lubricant SAE 30

STARFIRE MariStar Multifunctional Lubricant SAE 30 (6 TBN) is a high quality diesel engine oil specially formulated for use in low speed marine engines. STARFIRE MariStar Multifunctional Lubricant SAE 30 is suitable for use in different applications of marine equipment to minimize the different grades of lubricants carried on board a ship. STARFIRE MariStar Multifunctional Lubricant SAE 30 is not recommended for trunk-piston engines.

Features

- 6 TBN
- Formulated to effectively neutralize corrosive combustion acids
- Excellent resistance to corrosion
- Excellent detergency for crankcase piston spaces clean
- Excellent Air Release and Anti-foam Properties

Typical Properties

SAE Viscosity Grade	30
Viscosity, cSt @ 40°C	101
Viscosity, cSt @ 100°C	11.69
Viscosity Index	104
Specific Gravity	.89
Density (lbs/gal)	7.44
Flash Point, °F	440
Pour Point, °C	-15
TBN, D 2896	6
